### Welcome our newest members

We were recently approved by the NCUA to extend our membership to the Federal Aviation Administration employees that work in Kansas City, Missouri. This will include those at MCI Airport as well as downtown at the Federal building. If you know someone who works at those offices, be sure to tell them about our Credit Union and how they can benefit from their membership. We look forward to building long lasting relationships with them.

### Teach Them to Fish

You've heard the old Proverb, "Give a man a fish and you feed him for a day. Teach a man to fish and you feed him for a lifetime". Have your teens been busy this summer with their part time jobs? Each payday is a great opportunity to teach them about saving! Bring them by the credit union to open their account and get them excited about watching their account balance grow with us.

### Debit Cards are coming

We are beginning the preparations of adding a debit card program to our list of services we offer. We hope to make your money more accessible with this program so you can enjoy using us as your primary financial institution. Look for more information at the credit union offices and on the website as we get the steps completed to begin offering the cards by the first of 2020.
